MK6i™ Electronics
Rehab Programming

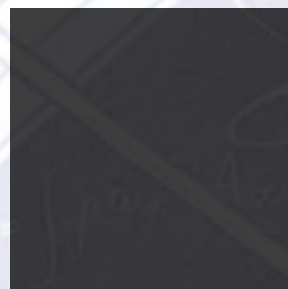

Invacare Technical Education in conjunction with VGM Education is authorized by IACET to offer 0.6 CEUs for this program.

VGM Education has been approved as an Authorized Provider by the International Association for Continuing Education and Training (IACET), 1760 Old Meadow Road, Suite 500, McLean, VA 22102. In obtaining this approval, VGM Education has demonstrated that it complies with the ANSI/IACET 1-2007 Standard which is widely recognized as the Standard of good practice internationally. As a result of their Authorized Provider membership status, VGM Education is authorized to offer IACET CEUs for its programs that qualify under the ANSI/IACET 1-2007 Standard. VGM Education is authorized by IACET to offer 0.6 CEUs for this program.

INVACARE®
iPartner Solutions™

Yes, you can.®

ISP's Technical Education Seminars are focused on the Diagnosis, Service & Repair of Invacare Power Mobility and Respiratory products. For 2009 these classes have been completely redesigned to allow for a true "Hands-ON" learning experience. Intended for service/repair technician's, these hands-on courses are designed to help improve technician productivity by improving their Mean-Time-To-Repair (MTTR) of Power Mobility and Respiratory products.

Money-Back Guarantee: If any Provider is not completely satisfied with the content of any of the courses, feel free to contact Doug Marchand @ 800-333-6900 ext 1675 for a refund of their paid registration fees.

ISP Technical Education Mission:

- ✓ Provide the BEST technical training in the industry.
- ✓ Provide technicians with real troubleshooting solutions rather than "best guesses."
- ✓ Provide a TRUE hands-on technical training approach (no sales pitches).
- ✓ Provide quality manufacturer training that meets or exceeds funding agencies requirements for labor reimbursement issues. Earn 6 CEC's or .6 CEU's for each Power Mobility course.

NOTE: *Money Back Guarantee: If any Provider is not completely satisfied with the content of any course, feel free to contact Doug Marchand for a refund of paid registration fees.

Improved Technician Productivity can help:

- ✓ Lower service costs
- ✓ Less time to diagnose & repair – fix it right the first time
- ✓ Increase number of one-trip fixes
- ✓ Increase customer satisfaction
- ✓ Recoup your education investment
- ✓ Improve your bottomline

Technician Education Seminars:

Course 1 – Concentrator Troubleshooting and Repair

Course 2 – Power Mobility Repair & Basic Programming

Course 3 – MK6i™ Electronics Rehab Programming

NOTE: Service Schools are held on consecutive days in the same city, and are intended for Repair Technicians and Delivery/Set-Up Personnel. To receive a course certificate, a test will need to be completed and returned to the Service & Parts Technical Education Department within 30 days of completing the course. Certificates will be awarded to those attendees who achieve a score of 80% or higher. For more information, call 1-800-333-6900 (extension 3885) or visit the "Technical Zone" on our website at www.invacare.com for online registration information.
