NOTE: Check all parts for shipping damage before using. In case of damage, do NOT use. Contact the Dealer/Carrier for further instructions.

SAFETY SUMMARY
The following recommendations are made for the installation of the anti-theft device:

**WARNING**
DO NOT assemble or use this equipment without first reading and understanding this instruction sheet. If you are unable to understand the warnings, cautions or instructions, contact a healthcare professional, dealer or technical personnel before attempting to install this equipment—otherwise, injury or damage may occur.

NEVER maneuver an occupied wheelchair by using ANY part of the anti-theft device. Serious injury or damage can occur. ALWAYS use the handles of the wheelchair when maneuvering an occupied wheelchair.

This kit contains the following:

**INSTALLING THE ANTI-THEFT DEVICE (FIGURE 1)**

1. Remove the upper four (4) phillips screws and washers that secure the back upholstery to the back canes.

NOTE: Phillips screws and washers will be reused.

2. Position the anti-theft device brackets with the back upholstery screw holes.

3. Install the phillips screws through the washers, anti-theft device brackets, back upholstery and into the back canes.

4. Tighten the four (4) phillips screws securely.
