The Invacare® Compass™ Series adult manual wheelchairs provide the optimal solution for complex positioning and seating situations. The Invacare® Compass™ SPT Wheelchair combines a traditional tilt-in-space design with self-propelling functionality, all in one wheelchair.
**Features**

Pin and saddle style front riggings offered to be compatible with other self-propelling manual wheelchairs

Exclusive Invacare® Quick Set™ washers snap onto frame anywhere frequent adjustments might occur

Discrete tilt trigger lock-out levers help prevent people from accidentally disengaging the tilt mechanisms

Fold-down back and quick-release wheel option allow for easier transportability

Designed adjustable angle footplates have a dual attachment point for increased durability and a positive locking mechanism for dorsi and planar flexion adjustment

Adjustable angle stroller handle option offered for easier dependent propulsion

Depth adjustable frame – three different seat rail lengths available with at least 3° of adjustment on each frame

---

**HCPCS Code: E1161**

1. Front wheel configuration
2. Adjustable angle footplate
3. Dual gas cylinders
4. Quick set washer
5. Tilt trigger lock-out lever
