## INTRODUCING

The Great Big Wheel Aluminum transport chair delivers a lightweight, compact mobility solution with the added convenience of large 12" rear wheels and dual attendant hand brakes. The Great Big Wheel Aluminum transport chair is personalized for you in two seat width 18" and 20" with your choice of attractive frame finish Electric Blue and Electric Red. The durable padded nylon seating and padded full length vinyl arm supports ensure comfortable travel wherever life takes you.

## CHECK OUT THESE FEATURES!

### 1. DURABLE COMPOSITE SPOKED WHEELS

2" x 8" and 2" x 12" durable composite spoked wheels with non-marking urethane tires. Dual braking/wheel lock controls on the handles allow the rear wheels to be slowed or locked in place. The braking functions and wheel locks operate independently, offering maximum control. Standard left and right rear-mounted curb aids, in conjunction with the large 12" wheels, allow the chair to easily overcome curbs and thresholds.

## FRAME FINISHES

**ELECTRIC BLUE**

**ELECTRIC RED**

### 3. CALF SUPPORT

Padded nylon calf support with hook and loop closure

### 2. REMOVABLE FOOTRESTS

Removable footrests with flip-up footplates offer adjustable comfort and ease of transfer for the user.

LIGHTWEIGHT, DURABLE & READY TO ROLL

### 4. EASY TRANSPORT & STORAGE

Convenient fold-down back support and folding frame with carry handles allows for simple and easily managed storage and travel.

### 5. ADDED STORAGE SPACE

A rear storage pouch with hook and loop enclosure helps keep personal belongings secure and accessible.
