

# RETROFIT KITS FOR FORMULA TRE POWERED SEATING

## ATTENTION!

The following Retrofit Kits are currently **NOT** available on **TDX (TDXSEAT)** under the **Consent Decree** process.

- ✍ Add Formula TRE Tilt to existing ADJASBA seat. (T-TDXK)
- ✍ Add Formula TRE Tilt/Recline to existing ADJASBA seat. (TR-TDXK)
- ✍ Add Formula TRE Recline to existing Formula TRE Tilt seat. (R2T-TDXK)

### NOTE:

1. Retrofit Kits are available thru Invacare's Equipment Configurator only.
2. No Retrofit Kits will be offered for adding Tilt to Recline.
3. No Retrofit Kits will be offered for adding any kind of Elevate System to an ADJASBA System.
4. Adding Tilt or Tilt/Recline to an existing Elevate System requires that the wheelchair be returned to Invacare Corporation. The Technical Service Repair Department must do the installation.
5. For details on electronics, additional options and footnotes regarding the ordering process, refer to the Off Chair Retrofit Kit Price List located at [Invacare.com](http://Invacare.com) under Product Literature Search.
